Dear Sir/Madam,

On behalf of our client, Harmony Solar Mullingar Limited, please find enclosed an application for approval of the proposed construction of a 110kV substation (and all associated infrastructure) in the townlands of Clondardis and Slane More, Co. Westmeath.

This application is being made directly to An Bord Pleanála as 'Strategic Infrastructure Development' (SID) under the provisions of Section 182A of the Planning and Development Act 2000 as amended and associated planning regulations.

This position was confirmed by An Bord Pleanála to the applicant on the 14th of March 2023 following pre-application consultations with the Board (Case Number ABP-314595-22), a copy of the Board's determination is enclosed with this letter.

The proposed development will constitute the provision of the following:

- Construction of a 110 kV Substation and associated works within a site of approximately 4.5 hectares. The Substation, comprising a total compound footprint of 1.29 hectares, enclosed by palisade fencing, will comprise:
 - 1 No. single storey substation control building (435 m²);
 - 1 No. single storey customer MV Building (325 m²);

- Permanent access road (ca. 1.1 km in length) to allow access to the substation including a short spur (ca. 0.1 km) off the main access track to access to the 2 no. line-cable interface masts. The entrance to the local road (L5802) will be shared with the consented Clondardis solar farm.
- Associated construction works and drainage infrastructure and installation of temporary construction compound.

The proposed substation and associated works are part of a larger renewable solar energy project, identified as Clondardis Solar Farm, sited at sixteen land parcels located at the townlands of Clondardis and Slane More, Walshestown, Mullingar, Co Westmeath. The permitted solar farm (P.A. Reg. Ref.17/6239, ABP-301116-18 and amended under P.A. Reg. Ref. 20/6132) consists of a ground mounted photovoltaic solar arrays and associated ancillary infrastructure. On 28th of October 2020 Westmeath County Council granted planning permission to amend the design of the permitted Clondardis Solar Farm under P.A. Reg. Ref.17/6239.

An Appropriate Assessment Screening Report (AASR) has been prepared in relation to the project and accompanies this planning application.
